

**UNOLS East Coast Van Pool
10ft. Isotope Lab #4
Silhouette Steel Ltd. SN 625.3.08
User Evaluation Form**

Was the lab received in good condition?

Did the lab and installed equipment function satisfactorily during your cruise?

Was the documentation supplied with the lab sufficient?

Do you have any suggestions for improving the general usefulness of the lab?

Any other comments?

Completed by: _____, Phone _____, email _____

Date completed: _____ Cruise: _____ on the R/V _____

Please return to Marine Operations, University of Delaware with the lab, email (deering@udel.edu), or by mail to College of Marine Studies, 700 Pilottown Road, Lewes, DE 19958, Attn: Timothy W. Deering. Thanks for taking the time to complete the form.
